

Maintenance Technician Nova Agri

About Us: The Nova Agri Group of companies is a nationally recognized innovative Agri Food business located in the Annapolis Valley specializing in production, value addition, and marketing. Our business entails production of fruits and vegetables, packing and processing, & marketing to the major retailers in Atlantic Canada as well as exporting to other countries. We foster a positive work environment and recognize the value of our employees and the importance of workplace safety, product quality, excellence in customer service, and respect for the environment.

Position Summary: As a Maintenance Technician you will support the maintenance and safe and efficient operations of our equipment and facilities. You will service, repair, maintain, troubleshoot, overhaul, and continuously improve the conditions of our equipment and facilities. You will be responsible for safe and efficient maintenance and proper operation of assigned equipment to meet production targets and uphold the highest quality standard.

You will be the backbone of maintaining production equipment lines in a proper, safe and reliable operating condition. You'll perform specifications and inspections as required.

You will be responsible for the maintenance of refrigeration equipment-controlled atmosphere of storage rooms and packing and processing lines.

Desired Qualifications:

- Minimum 3 years of experience as a line mechanic in packaging/processing /millwright position is required; prior experience in refrigeration and/or storage equipment is strongly preferred
- Experience with mechanical, pneumatic, electric and hydraulic systems and associated equipment and components is required
- Ability to use hand tools and diagnostic instrument is required
- Knowledgeable about Lock Out /Tag Out procedure and practices.
- Experience in the use of computerized process control systems and preventative maintenance systems considered an asset;
- Ability to make decisions and solve problems in a fast-paced environment.
- Proficient in Microsoft Office;

Salary and benefits: The salary for this position will be commensurate with the experience, qualifications and education. A wide range of benefits are available.
